

WALK AGAINST ELEVATED RAIL

Sunday 18th September - 10:30am to 12noon
Victory Park, Chelsea to The Esplanade, Edithvale

The No Sky Rail Frankston Line community group invite you Walk Against Elevated Rail. This is an opportunity for the community to show their opposition to the government's plans to build a series of elevated railway bridges along the Frankston Railway Line.

The walk will be a family-friendly event so bring your children and dogs for an easy walk. We will have a merchandise stall and our committee will be on hand to show you our Rail Under Road options for each crossing.

- Hear from the Mayors of Kingston and Frankston Council about how they are supporting our fight to stop any elevated rail solution
- Quiz your local representatives in the approaching Council elections
- Show the government and media that we do NOT want elevated rail

- Yes to Level Crossing Removal
- Yes to Rail Under Road
- No to "Sky Rail" or any Elevated rail solution

When Sunday 18th September. Meet 10am to walk from 10:30

Where Victory Park, in Camp Street, Chelsea to the Esplanade, Edithvale

Who Everyone who opposes Sky Rail. Please invite your friends and family.

Wear Something red or you can purchase a red polo shirt from our stall

Bring Your own banners and posters or you can buy them at the starting point.
We will have a fundraising sausage sizzle at the end point.

Donate We need funds to cover our costs. Please donate via our Give Now donation portal:
